Creating an Account for ExamView

An account is a unique identifier that is used to tie together all software accounts and response devices. An account is required for use with Turning Technologies products.

- 1 Go to <https://account.turningtechnologies.com/>.
- 2 Enter your **school or organization email address** and click **Create**.

IMPORTANT

If your email address belongs to a defined organization in an account, the following message is displayed:

Your account needs to be connected to your school's Learning Management System to track your participation. Sign-in to your LMS and click on the account Registration link under any course that uses clickers.

- 3 Check your email and click the link to verify your account.

NOTE

If you did not receive the verification email, click the **Resend** button in account.

- 4 Enter all **required fields** as noted by the asterisks.
- 5 Enter and confirm your **password** in the fields provided.

NOTE

The password must be at least eight characters long and contain one lowercase letter, one uppercase letter and one number.

- 6 Select the box labeled *By checking this, you agree to comply with the End-User License Agreement and Terms of Use*.
- 7 Click **Finish**.
The account Dashboard is displayed.
